

Liz -
 Oh, excuse me it's
 not "Liz" it's "Madam
 President!" I've only
 known you for about a
 year yet during this short
 time you've been a terrific friend,
 flawless wife, and now, Madam
 President! But seriously, hoping
 back you're one of the people that
 have really stood for it. I want
 "The Best of Luck" next year as
 Madam President!

P.S. Looking forward to
 the First Weekly
 Annual Mystery Car
 Rally. If you ever in the fall
 come hang and stop in my
 office & Dr. Bhang E.O.

Dear Elizabeth,
 What can I say? and
 where do I begin? We
 have had good times
 together - especially
 the time you, Pat
 and myself went
 out "cruising" after
 the Reddicks party.
 Big Times! I suppose
 being Big "A.S.B."
 pres. It will be hard
 to find time to keep
 up the acquaintance.
 I really enjoyed working
 for you for A.S.B. pres.

Elizabeth

I think my parents are insane
 taking me to that Stanford stream what a joke
 I have never been so bored in my life you really laughed
 and not having to listen to it. I hope you have good luck next year
 and may you go to Stanford for your college. I am really glad that
 you got A.S.B. President, maybe something will come out of it.
 You over it.

Dear Elizabeth,

It's been fun having you
in class this year. Have
a nice summer.

Love,

Elizabeth,

Best of luck next year. I know
you are the girl for the job and
will do an outstanding job. My only
advice is to think positively and
be optimistic. Take good care of

Dear Elizabeth, it's hard
for me to write knowing the
that I am traveling the
yearbook of the 1974-75
ASB President, I am so
grateful to you for all
your guidance. Like she
could tell me of the fine
art of arcade playing and
punch mixing. Thank you
for keeping me encouraged
when I felt that I would
never play an arcade.
Have a nice summer.

hugie!

It's so hard to figure out what to write to a good friend. First of all (BIGGEST), Madame President, and next year will be really great. Second of all if you see M*A*S*H this summer give my love to Tupper John. This year has been the first year I've really gotten to know you and I'm very glad. Latin has been a rather interesting class! Can you imagine a year without Latin? Enough of that. Next year you're going to be so busy, but if there is anything I can do to help just say so. About you and Laurie, there is nothing in the world you can say to upset me. I really enjoyed the joke. Besides I'm so ridin'... Before I write on and on and on... Have a great summer, see you next year, and Good luck! all my love, Sylvia Lautsch

ELIZABETH SNOWDEN -
Let me just say that some day I'll be very impressed with the effort that I once knew you hope I always will, love, and all!

Elizabeth,
ASB president, amazing!
It's been nice knowing you this year. Hope to see you this summer, and good luck next year.

Elizabeth,
what can I say except the usual garbage. It was fun having you in U.S. History and I am glad to have the opportunity to set to know you. Maybe we can become better friends next year. The best of luck to a.s.b. pres. next year. I'm sure you will do a fantastic job. One to be proud of. I'll be so, or I will. I'm sure you will lecture me. I'm sure you will give me a great summer. Love Elizabeth

Elizabeth,
you should have great success as a.s.b. pres. But that's not my business. I'm sure you will give me a great summer. Love Elizabeth

Elizabeth,
It's been real fun in Drama, being little bits and pieces (how difficult!) and really had fun with you in Drama! I thought you were a real RELAXING and BEST of luck. I'm sure you will have a great summer. Love Elizabeth

Elizabeth,
You made my year when you got president. Being in the musical with you was great. Knowing you will become better friends next year. Hope you have a great summer. Stay in touch. Love Brian

Dedication

We of the Titanian Staff believe it is only appropriate to dedicate this yearbook to the overpowering realm of numbers. Numbers are gradually replacing any semblance of our identities. Evidence of this growing entity can be found in everyone's daily lives.

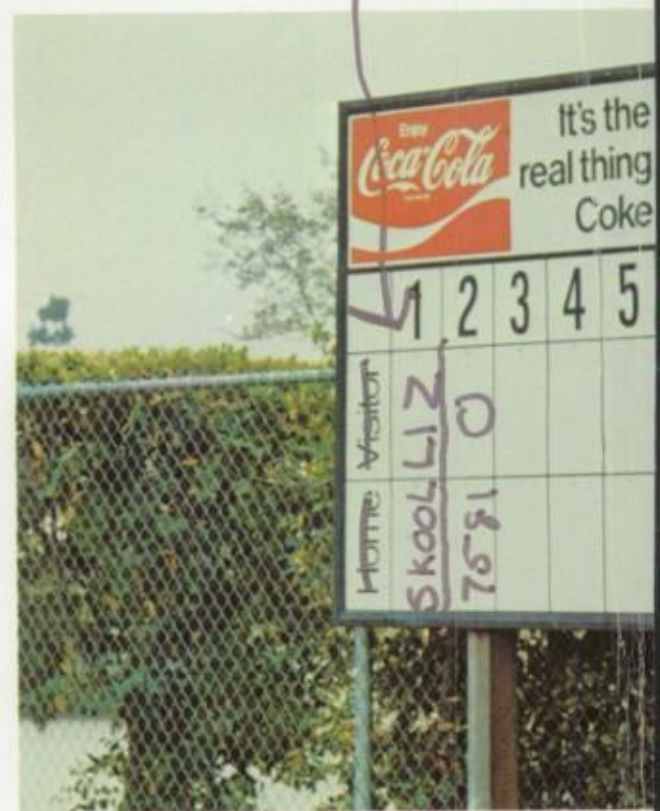

Time is the order of the day, requiring the very precise organization of numbers; movement of the clock, periods of the day, and even the classes one attends are numbers. The last prime example of the increasing usage is the fact that all of us are now referred to as numbers. Thus the reason for our dedication. Goodbye names, identities and humanism—

Dear Lizzy, debutante of the year - next year is our big year. Just think - a tie in our number. And think of all the impressive activities they read off after your name. I'm so jealous of you and your beautiful gown. Do you suppose you can help me be popular too? Oh, I'm ordering 100 copies of the yearbook in advance of you want it put in an order for you. Since you're in power next year we can pictures in the shield, and can be nite! I can't think of a make fun time! I'd say love & kisses, but Mrs. Taylor or Mrs. Chadwell might get the wrong idea. principal

Last year Mr. Rankin took on the added responsibility of running a school which was close to chaos. This year he has been able to relax a little and get to know the students better. He is the best thing that has ever happened to San Marino High School, and the students are indebted to him for making their year complete.

Dr. Carol Lambert

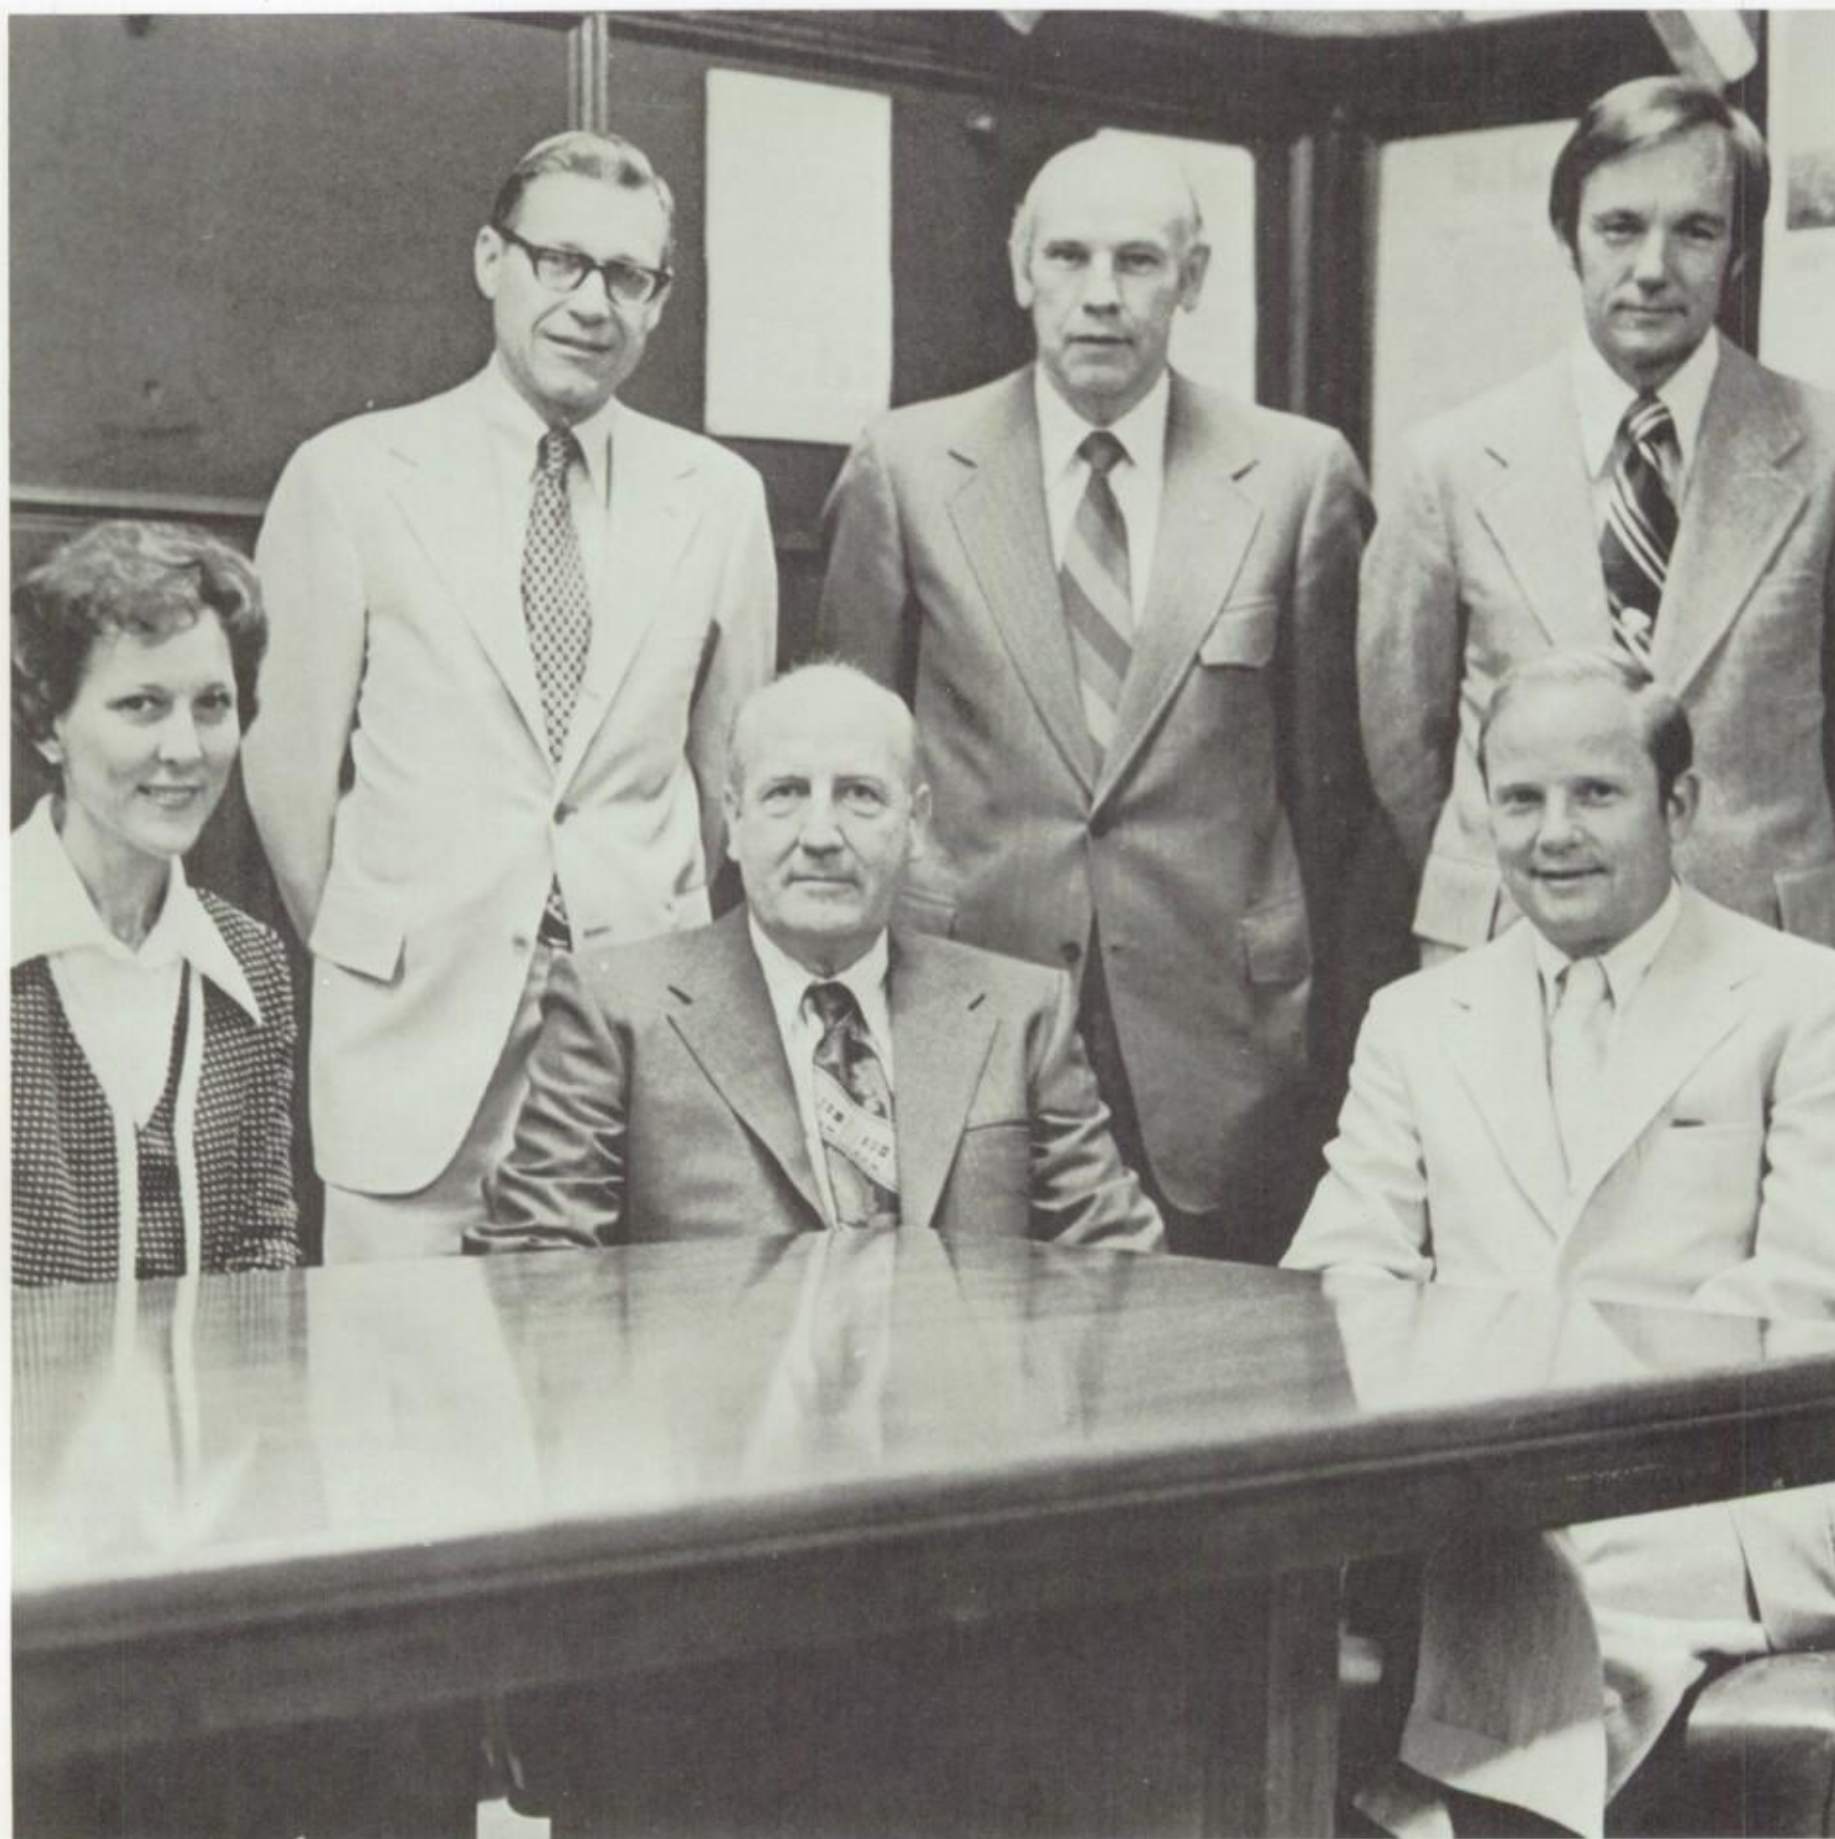

Mr. Philip Miller

Dr. Carol Lambert and Mr. Philip Miller together keep order in the ranks by efficiently carrying out their respective jobs. Dr. Lambert's impressive title is Assistant Principal in charge of Instruction and Personnel. Her job encompasses working with the teachers and counselors in evaluating and improving instruction and services for us, the students. Mr. Miller's job puts him in charge of student activities. He also "holds the bullwhip", which is a fancy name for being in charge of discipline. These two people are doing a great job and we are very appreciative for their devotion to us.

Lippy-poo,
 I'm really glad
 we got to see each other
 this year, although I missed
 driving around with
 you till all hours of
 the nite. Congratulations

counselors

LEFT TO RIGHT: Mr. Joseph Volz, Mr. Philip Wilburton, Mrs. Elizabeth Walker, Mrs. Dorothy Kuhnlein.

The purpose of our counselors is to prepare us for the future. To do this, they must know each individual student and must be aware of each person's talents which will enable him to progress in life after graduation. This job has been made easier this year by the new computer scheduling which takes much of the workload off the counselors, thus enabling them to give more time to the students.

LEFT TO RIGHT: Betty Patton, Athletics Clerk; Barbara Bliss, Attendance Clerk; Violet Godfrey, Registrar; Aileen Montgomery, Multi-Media Di-

rector; Margaret Gaffney, Secretary; Dorothy Shearin, Guidance Clerk; Betty Sweetman, Clerk; Ethelyn Polley, Secretary.

Without the help of these devoted keepers of the school, orderliness and cleanliness and good food would be words of by-gone days. The secretaries help to keep all of us, even the teachers, in line and smoothly running. The custodians help to keep our school beautifully clean. The talented cafeteria women keep our stomachs from growling with hunger and we are ever indebted to them.

Mrs. Montgomery, our very own Multi-Media Director, keeps the library system organized through her individual attention. The books the students read, the films they see, and the record players they listen to, are all provided from Mrs. Montgomery's pride and joy, the library.

LEFT TO RIGHT: Evelyn Large; Frances Horn.

senior advisory board

The Board listens to Kim's suggestions.

The success of the Senior Class activities this year was due, largely, to the Senior Advisory Board. This group of forty seniors was selected from all segments of the class. Their basic function was to advise the senior class officers and to suggest activities for the year. The Senior Class Picnic, held at Newport Beach, was their first big activity, and it was well attended and most successful.

The Senior Advisory Board worked to select a theme for Grad Night. In addition to this, they came up with the idea for the Homecoming Float. Nominations for Senior Polls were also part of the board's duties. The Cabinet and the Senior Advisory Board worked together efficiently to make this senior year most successful.

student council

Student Council this past year worked diligently with the students as well as with the faculty to create a closer knit Student Body. Barron Wellman, Student Body President brought the open period to an open start.

Cassie Brogan, Activities Commissioner, livened up lunchtime with the music of various musical rock groups. Secretary Caryn Coulter kept the students well informed throughout the year. Student Council made the year 1973-1974 a year filled with progress and a year to remember.

new a.f.s. student

Barbel came to San Marino in late November from Ausburg, Germany. She is very enthusiastic and friendly, always willing to learn a new name, and ever ready for help with Trigonometry. She's become involved in many things- Young Life, church groups, sports, and Yosemite. She is always "so looking forward" to everything; and will take home new ideas, new dreams and new experiences to share.

The delegates to Girls' and Boys' State this year were Karen Telleen and John Vendeland. The program, which is sponsored by the American Legion Auxiliary, gave the two students a chance to be involved in a week of mock government. This also gave them the chance to meet with many other students from all over their state.

John enjoyed the honor of being Speaker of the House, while Karen helped in various ways. John and Karen felt they were quite privileged to have the opportunity—not only scholastically but socially—to attend this event.

There are many reporters sent out on stories for the weekly papers, and the photography staff makes sure that they have covered all current events. These dedicated students spend long hours developing and printing in the darkroom. The staff spends Wednesdays and Thursdays putting the paper together at the printers, and on Fridays the paper is delivered to the students. Our Titan Shield is eagerly read for its excellent content and great pictures.

math club

The purpose of the Math Club is to promote interest in Mathematics and in fields related to Math. This includes sending a five-person team to the annual Math Field Day held at Occidental College in November. We also hold game nights every few weeks, where challengers can come and try to beat the Club's Chess, Stratego, or Checker's champs.

We administer the National Math Contest in the Spring each year to the school's top Math students. The Glenn Lewis Award is given at the end of each year to an outstanding Freshman or Sophomore Math student selected by the Math Club. We planned an enlightening field trip to the Griffith Park Observatory.

French Club opened up and took on a new image with a variety of activities never before attempted at San Marino High School. Besides the usual activities such as bubble gum sales, bake sales, dinners, and movies, this year French Club sponsored additional large projects.

The first project took place on December 13, during the Open Period. French Club gave the student body the opportunity to step into a world other than San Marino's; into an authentic French Cafe. The club also took numerous excursions to plays performed in the area, French restaurants, and even to Universal Studios.

Spanish Club has again involved itself with many worthwhile activities this past year. Within the first month of school, Spanish Club had already begun the fund raising task of selling caramels. With the money raised from the caramels, the club was able to support an orphan in Mexico.

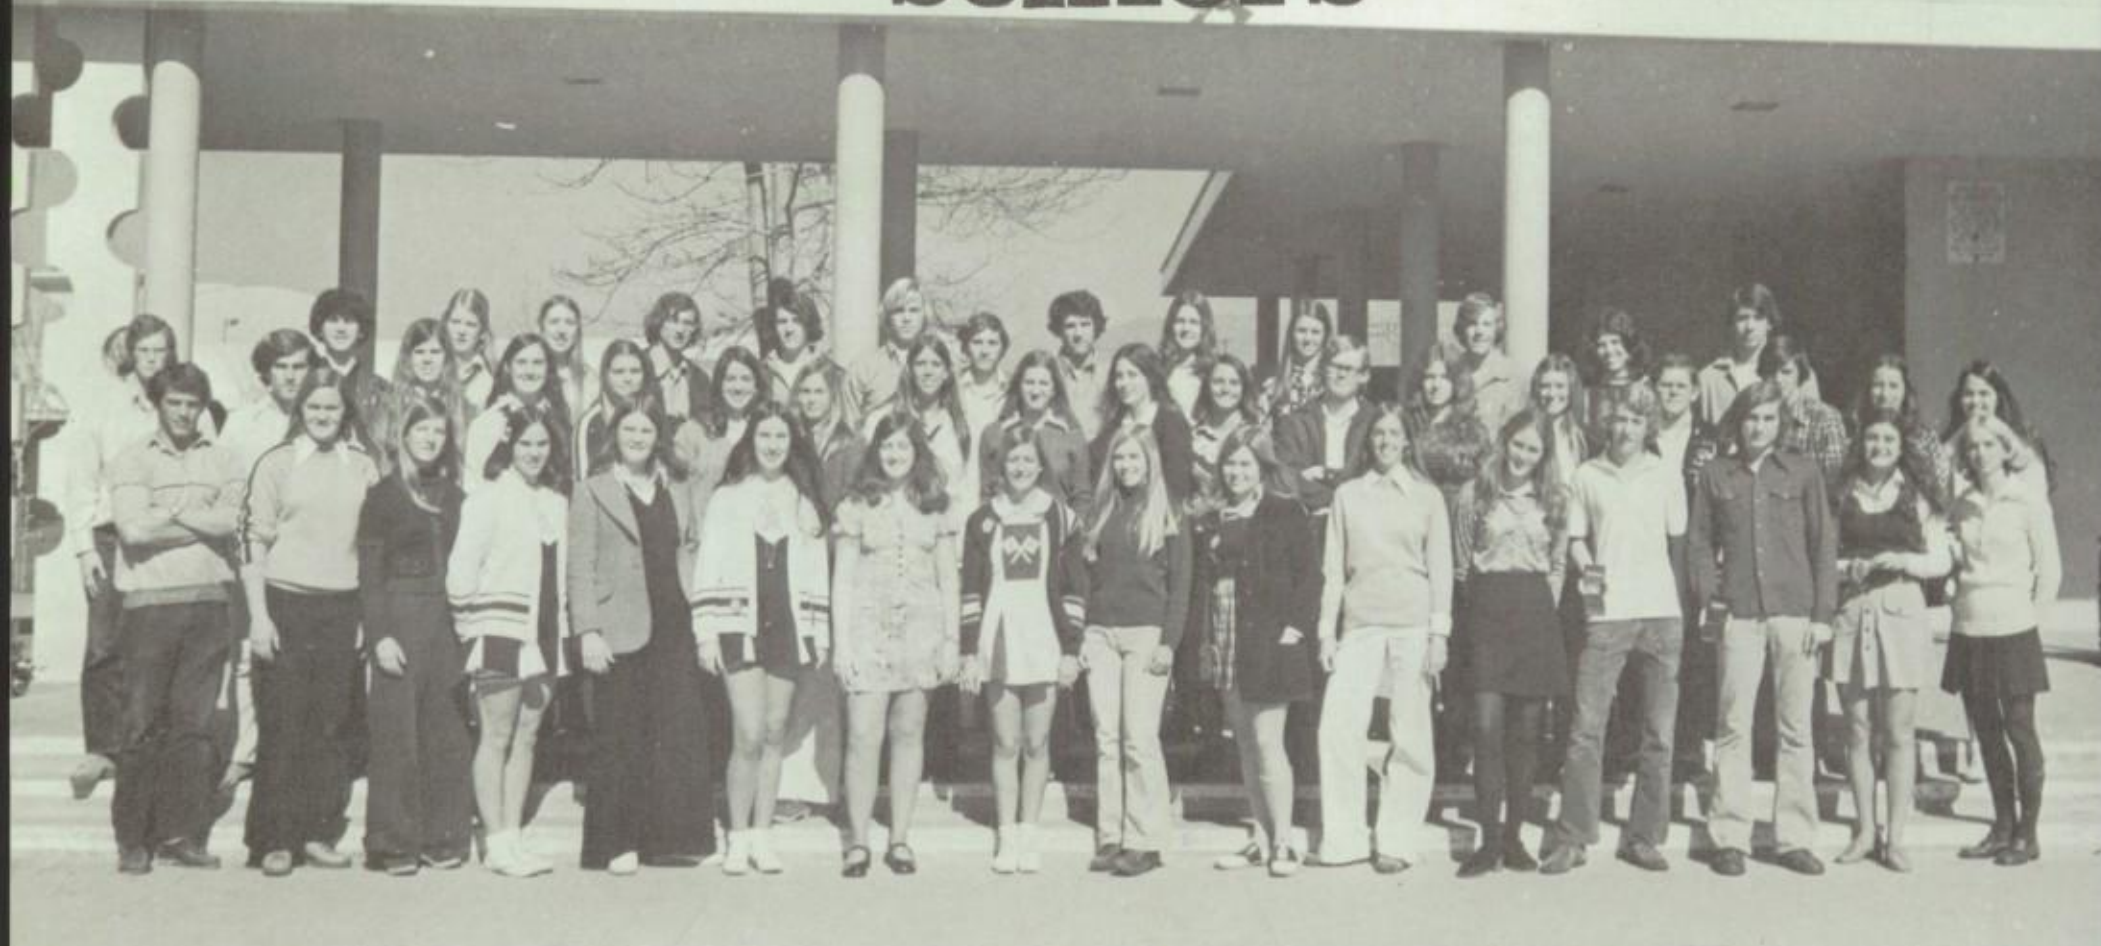

During Christmas time, the club held the annual food and clothing drive. All classes received boxes to fill with clothing, food and usable toys. Then all the goodies were shipped to the Christian Children's Fund in Mexico to bring warmth and happiness to youngsters less fortunate than those in our High School. The club's first trip to Mexico was scheduled for the Spring Semester.

j.c.l.

This past year J.C.L. has been involved in many exciting activities. In November the club held its yearly Southern Regional Party, which enabled all the J.C.L. chapters in Southern California to get together. The club sent a large delegation to the State Convention at Gardena. J.C.L.'s annual Slave Sale resulted in many members doing various menial chores for their triumphant buyers—only for a day, of course. In all, J.C.L. had a very productive and worthwhile year.

delphians

The guys and gals seen roaming the halls this Year in the flashy bow ties and garters could be identified as Delphians. Delphians were extremely busy this year, as they have been in the past. For the second year in a row, they gave Christmas dinners and toys for the children to the Ramona Housing Project, and produced Easter baskets for the children in April.

They again took fifteen children from Five Acres to the Los Angeles Zoo for a day. They went on a weekend camping trip, sponsored a car rally with a service club at La Canada High School, and sold Halloween insurance.

Delphians worked in conjunction with the Volunteer Bureau of Pasadena, the Child Care Development Service, and Five Acres to achieve all these great activities.

Members of Delphians in alphabetical order: Carrie Anderson, Janice Armstrong, Bonnie Bilitch, Ken Bilitch, Greg Burwell, Carolyn Chase, Bob Christiansen, Kellie Citron, Paul Clark, Sheri Cook, Karen Cosentino, Claire Crowley, Peter Durkee, Terri Garrett, Dennis Gilkerson, Tony Haralambos, Miguel Hidalgo, Will Hildeburn, Donna Johnson, Patti Kurek, Sue Marriot, Lisa McLain, George Miles, Lori Nelson, Laurie Ontiveros, Allan Purdy, Carolyn Raney, Sandy Samuelian, Bill Schuck, Debby Spies, Nancy Stone, Debbie Thomas, Kay Ullman, Pat Varga, Judd Wallenbrock, Kerry Walsh, Bob Wheeler, Rich Yale, Liza Zack, Annette Zettersten.

Key Club for the past year has been very involved with community and school affairs. For students, Key Club offered its ever-so-popular Car Rally. During the football season the club took charge of the job of selling and printing up the Football Programs.

In the Homecoming Parade, the Club's entry was called "The Blow Mobile". From the float millions of pieces of bubble gum were thrown to an appreciative crowd.

One Saturday Key Club offered to take the boys of the Sycamore Home to the park for the day. It gave disturbed boys a chance to have fun with the men of Key Club.

At the close of the school year the Key Club Scholarships were awarded to two deserving Senior students judged outstanding scholastically. The award winners also had to be highly involved in school affairs.

Amicians

Officers of Amicians: President, Canice Evans; Vice-President, Cindy Wilkinson; Secretary Kerry Leslie; Treasurer, Katie King; Chaplin, Sue De Simone.

Terry Griest, "I'm almost positive someone said the Amician meeting was out here."

The friendly Amicians in the gold sweaters certainly were busy this year. Community activities included a car wash, the Table Fashions Tea, and managing the traditional bookfair. Around school, they gave flowers to teachers on their birthdays, cleaned the Reclamation Center, and supported dramatic productions.

For the students they sold helium balloons at Homecoming, co-sponsored a car rally with Key Club, and held the traditional Christmas Dance. It was a great year for the club because of their accomplishments and all the great times they had working together.

This year we took many useful agricultural tools to the Hopi Indians in Arizona. We sponsored several car washes which proved to be very successful.

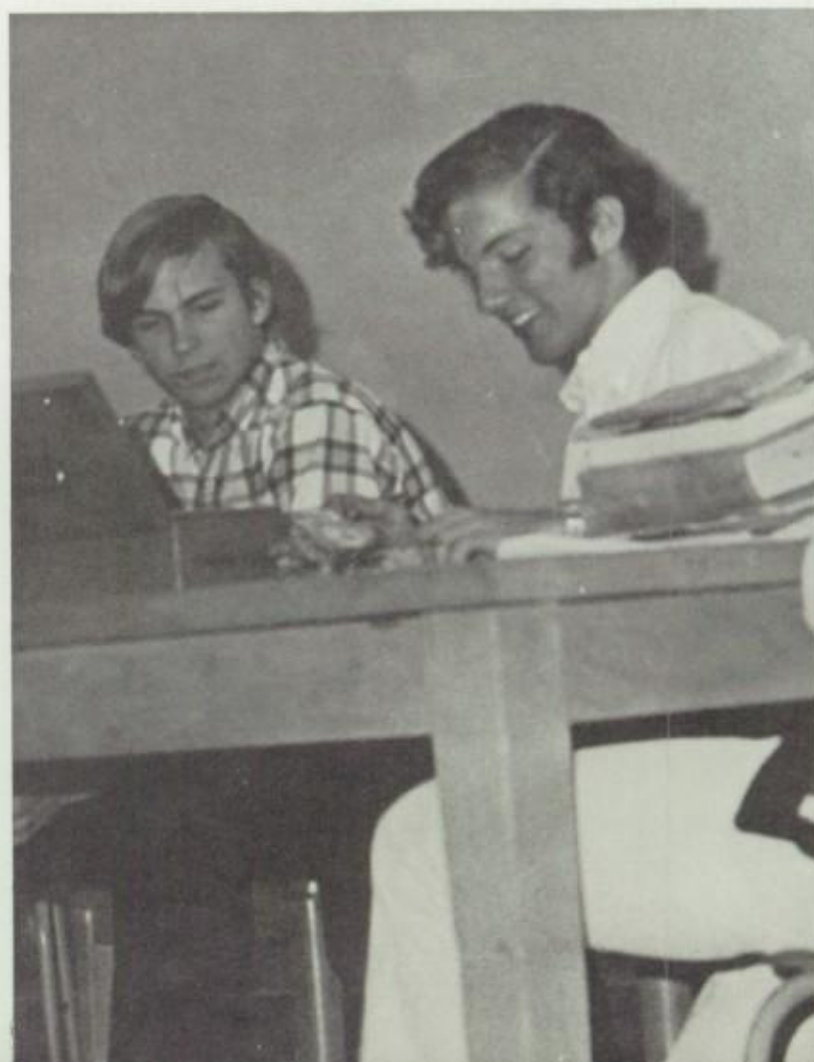

Last year we started laying the foundations for a record library. We haven't decided the location yet, because we are still working on the idea. We aided San Marino Community Chest in advertising their money making drive by putting up in the stores of San Marino posters done by the High School Art Department.

Lisa Petersen, Cathy Cooper, Wendy Von Kalinowski and Martha Jones on their way to another Omega meeting.

Omegas traditionally undertake many activities such as the Pumpkin Sale at Halloween, Omega-Key Club Dance and the Cerebral Palsy Clothes Drive. A new highly successful activity started this year was the Honest Choices Conference for the benefit of the girls at San Marino High School. Preparations for the conference started last summer, but the results were worth all the time spent in planning this event.

political club

This year's Political Club promoted student interest in politics by focusing on the issues on campus as well as in the government. The club helped to increase student awareness through speakers at the open period and regular meetings. They also introduced a new publication through which any student could express his views on the world around him.

The Letterman's Club is one of the many active service clubs on San Marino High School. Membership is limited to students who earn a letter in any sport. The Club's purpose is to help provide equipment for the many San Marino sports.

Their sales of season tickets and athletic guides help them finance much equipment that otherwise could never be purchased.

Peter Vagnino, Letterman Club's President.

thespians

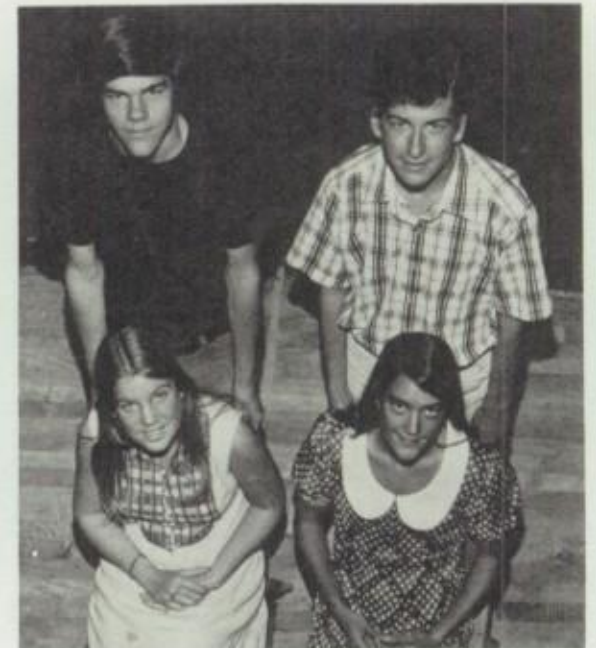

San Marino High School Thespian Troupe 1645 is the honorary society for students who have worked at least one hundred hours on dramatic productions.

The plays presented on our stage this year included the "Odd Couple", the ever popular Frosh-Soph One Acts, supervised brilliantly by Mr. Mark Wilson, "We Bombed in New Haven," and the Musical "Bye, Bye Birdie."

For the Musical, many long hours were spent perfecting every scene, dance and song. The cast and crew worked diligently together to form an outstanding company. Under the expert guidance of Mr. Paul Clopper, each performance had a genuinely professional touch.

Stage Crew performs the necessary tasks of a play behind the scenes. The Crew builds all the sets and carries out technical jobs. The Crew assists in all the assemblies, and other jobs that require use of the stage. If it wasn't for them, such meaningful productions as the Musical would not be possible.

t.v. production

The members of T.V. Production have made fantastic progress since they first started out. Their main interest is turning out creative T.V. programs which catch everyone's eyes. They're available to all the English classes to tape special programs. The staff also gets a lot of enjoyment out of taping sports activities for the teams and the coaches. All these tapes are stored for the enjoyment of future classes, as well as for those of this year.

Chris Burrill and friends are looking over all the T.V. equipment they get to work with each day.

Elisabeth Wiesner from Austria and Carlos Ballester from Spain, stayed with us this year on the A.F.S. program.

a.f.s. students

We sent David Booth to Peru for the summer.

Elisabeth Wiesner came from a small village in Austria called Aheim. She is sixteen years old and the eldest of five children. Some of her friends had been A.F.S. students, and that is how she became interested. She thought it would be an interesting experience, living and studying in America. Elisabeth enjoys skiing, music, cooking, swimming, and just meeting and being with people. I really am so fortunate and happy to have her as my A.F.S. sister!—Pam Hoover

Carlos Ballester came from Spain with totally different ideas and a different background from us here in the United States. He saw American life from a viewpoint neither I nor any of my friends could ever see, and the experience of our living and communicating with each other permitted us to discover new insights in our lives within our own countries. Carlos' warm humor, sincere friendliness, and happy spirit made his stay here a most enjoyable time for everyone who met him.—John Hannah

By far the greatest highlight of my trip to Peru last summer was witnessing Peruvian Friendship, and becoming a part of their culture. Never before in my life have I been made to feel such a part of people I hadn't previously known.

I am amazed and always will be at the friendliness of the Peruvian people. They open their hearts to you even when they don't know you, and are willing to do almost anything for you. I am eternally grateful to A.F.S. for my fantastic life-sharing experience.

Ecology Club has been greatly concerned this past year with the problems of pollution and the energy crisis. The Club found ways in which it could make the students help clean up the school. Members of the club distributed decorated boxes in which the students could put their used paper to be recycled.

At times during the year the club sold assorted fruits. Among them were chocolate-covered-bananas and other natural foods. The greatest project the club accomplished this past year was to improve the landscape near the science rooms by replanting the lawn and adding new plants.

One of the most important factors that contribute to a memorable football season is the presentation of half-time shows. This year, Drill Team has spent a lot of their free time raising money, practicing for half-time shows, and getting ready to compete with other parades. Drill Team is active in attending many activities besides football and basketball. Being on Drill Team is a lot of work, but the new friends a girl makes plus the sense of responsibility, more than makes up for the time spent.

The 1973-74 marching band did a fabulous job this year. They sparked enthusiastic response from both student body and San Marino fans at all the games. Some of their best sounds were to the groovy tunes of "Watermelon Man," "Memphis Two-Step," and "Mickey Mouse," to name a few. Leading the band were high stepping, Drum Major Mark Ward, and those good looking majorettes, Jenny Solomon, Claire Crowley, and Shelley Chase twirling away with perfect precision.

1973 was to be the year of the CIF championship for the San Marino varsity football team. Unfortunately, injuries to key players mid-way through the season hurt the Titans greatly, and they finished the season with a 6 and 3 record.

The Titans were picked in the top ten teams in the CIF 2A division by several polls before the season started, and they proved the validity of this choice in their first game when they defeated Arcadia, 34 to 6.

The Titans won the rest of their preseason games, as quarterback Eric Anderson passed to split ends Joel Swisher and Steve Burge and tight end Todd Miller and tailback Fred Cordova and fullback Peter Vagnino ran for big yardage.

On defense, tackle Mark Moser, linebackers

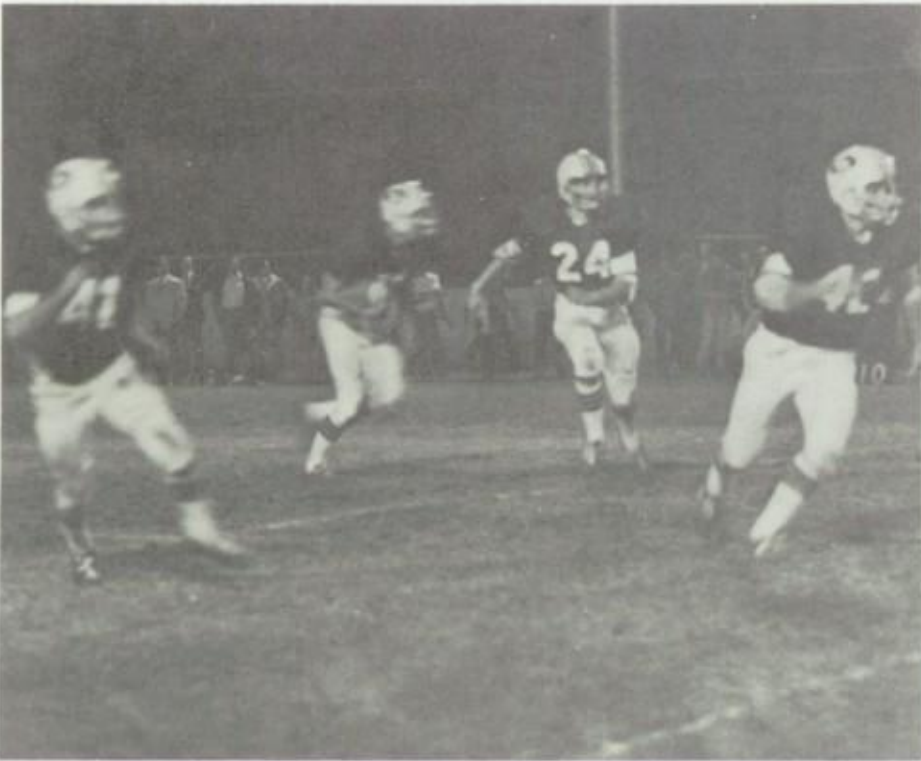

Jesse Wilson and Kevin McKenna dealt out some of the most punishing tackles this school has ever seen.

Although San Marino won all their preseason games, they also lost Anderson for two games after an injury in the Titan's third game against Royal which they won, 37 to 0. The biggest loss came in their contest against Gahr, however. Fred Cordova, a prospective all CIF running back, injured his back and was lost for the rest of the season except for the last game against Bell Gardens.

Even without Cordova, the Titans gave their utmost. They lost to Duarte and South Pasadena by a total of nine points, and they lost to Temple City, 27 to 6. They beat La Canada and Bell Gardens, and finished their league season with a 2 and 3 won lost record.

The 1973 Cross Country team showed early power in pre-season meets against Arcadia, Glendale and Gahr. Runners Chuck Chillingworth, John Hannah, and Rick Ehrenreich, Harry Bleeker, and Chuck Wenzlau showed much talent in the Varsity division.

The team received additional help from team members Carl Van Fleet, Pete Koenig, Jeff Thomas, and Matt Van Steenwyk to boost Coach Jack Bradford's Titans to second place in the Rio Hondo League.

The Varsity Cross Country won both the Glendale and Dos Pueblos Invitationals, a commendable season for the Titans. San Marino had a seven and two season record losing only to Arcadia and La Canada. Things look promising for the future with the experience of many fine runners who will return for next year.

The highly talented prospects for next year's Varsity Cross Country showed a great season for San Marino High School this year. With such fine harriers as Drew Williams, Brett Van Steenwyk and other talented young runners, the team looks forward to next fall when San Marino shall try for first place in Invitationals. San Marino placed first in the Kenny Staub Invitational. Sophs placed first in the Dos Pueblos with Frosh coming through with a close second place. Both Frosh and Soph placed second in the Mt. Sac Invitational, thus ending an excellent season for our Cross Country runners.

Coach Haltom's look of approval

The San Marino Varsity Water Polo team suffered a frustrating season this year, with a 4 win and 4 loss season. The team did earn high League honors, with seniors John Vendeland and Mark Lucas, who was also chosen team Captain. Under the supervision of Coach Haltom, the team had such valuable players as Scott Becker, who was named most valuable player, and a strong goalie, Steve Miller, who was named most improved for his first season of Water Polo. Another player, Louis Caron, attained honorable mention for his work on Varsity Water Polo.

The San Marino Girls Varsity Tennis team was undefeated again this year, sending San Marino to C.I.F. play. Three of the team's players, Marlis Hooker, Alison Armstrong, and Margaret Fogwell took first place in the Pacific Tennis League. Not only did the Varsity progress, but the first year J.V. team tied Arcadia for first place in the league.

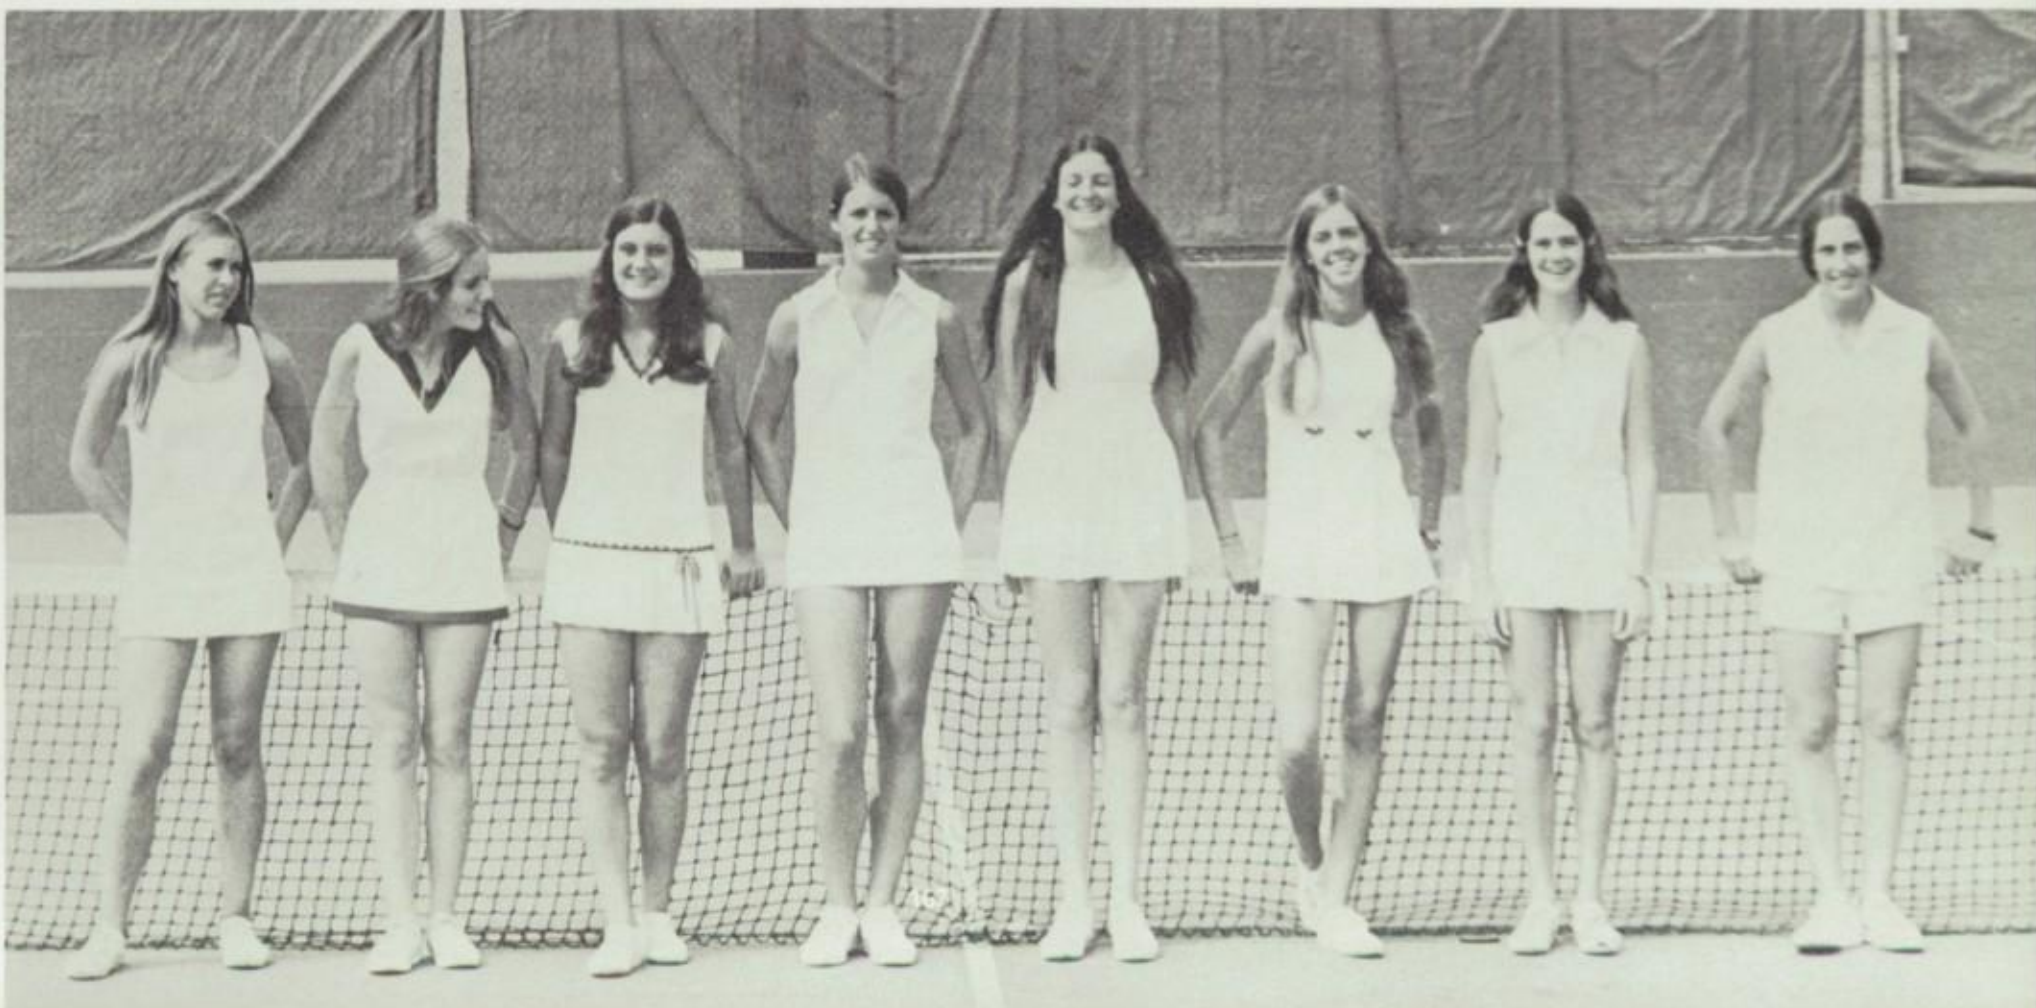

The Varsity and Junior Varsity teams would like to thank Mrs. Bryant for all her help and the coaching she has given to the girls this year.

This year the San Marino mat-men have had an outstanding season, while proving their good talent. Jim Barger, Tony Haralambos, Brad Farwell, and David Nater have been among the outstanding wrestlers who have contributed to our fearsome reputation.

Due to their accomplishments the team has gained a large following. To continue on this course will guarantee a CIF championship. The team wishes to thank Coach Maloney for his encouragement and enthusiasm.

The Titans are off to a fast start, winning four out of the first five games. The Titans have assumed command of the League, being champs three years in a row and four out of the past five years. The Titans are expected to be strong contenders in a tough Rio Hondo League. San Marino has all three starting pitchers from last year's champs; Juniors Marty Houge and Phil Ruland, along with Senior Dave Johnson. These make San Marino pitching among the toughest in the league.

We will also be strong up the middle with returnees Brooks Bowman, catcher, Steve Lieber, center field, and Newell Williams, second base. Filling in where needed will be Senior Steve Burge, who is a strong hitter. Newcomers up from the JV's who are expected to be heard from are Fred Cordova, outfield, Judd Wallenbrock, infielder, and Bill Holl who can either play in the outfield or at catcher. All three have strong bats. San Marino expects, once again, to figure to be a strong contender in a three way fight with Temple City and Bell Gardens.

Titan track man tips the rail.

The San Marino Titan Varsity track team's outlook is good for the '74 season despite the loss of Varsity mainstays Ivan Porto in the mile, Frank Longo in the 440 and mile relay, and Paul Freberg in the shot put event. Returning lettermen include Chuck Chillingworth, starring in the distance events, and Paul Neville and Larry Morris dominating the 440 and shorter sprints. Morris, a transfer from La Canada last year, has an outstanding personal best of 9.8 in the hundred yard dash and is planning on cracking the 9.8 barrier before this season is over. The team is in the process of building for this season and future seasons. Many members are improving greatly with each meet. Carl Van Fleet and Peter Koenig are the best bets to become really outstanding performers in years to come. Van Fleet, a junior middle distance man, has run a 2:02 in the 880, while Koenig, only a sophomore, is but a second behind in the same distance. Both harriers are expected by Coach Jack Bradford to go under 1:58 before the year ends. In the field, returning lettermen include Seniors Andy Masto and Steve Neely competing in the shot put and long jump, respectively, and Junior Dave Sloggy in the lead position in the pole vault. The team's toughest competition should come from La Canada, whose team has won the coveted League team title for the last two years in a row. However, if the Titans progress as expected, they expect to be in the thick of the race for the League title.

Ski Club this year has evolved into an extremely popular club. Our skiers came along strongly in the Ohwego League this year. In League Competition, the S.M.H.S. Ski Club took many trips to Mt. Waterman, Mt. Baldy, Holiday Hill, Snow Valley, and the ever-so-popular Mammoth Mountain.

The trip to Utah, according to the skiers, was the highlight of the season, fulfilling their fondest dreams. Some members too green for competition expressed their happiness in just learning to ski, in spite of all their lumps and bruises.

Moment of victory for Coach Haltom.

The Titans have another powerful team this year, as they seek an astonishing twenty-first consecutive Rio Hondo League title. Standouts this year include seniors Eppy Giles, Chris Cramer, and Dave Wachtel, along with juniors Pat Varga, Jeff Mangelsdorf, and Tim Noll. Pat has made history this year, becoming the first girl ever to play on the boys' tennis team. Also aiding the varsity cause this year have been juniors Brook Blakeslee and Tom Haeffliger, sophomore Brian Borneman, and freshman ace Jim Slaughter. Coach Frank Haltom is confident that once again his team will be in contention for a C.I.F. berth this year.

Under the excellent coaching of Mrs. Barbara Kirk, this year's swim team stands a good chance of winning the League Championship. The Varsity team surges with a tide of new freshmen: Kris Lewis, Brenda Gallagher, Linda Merrill, and Sharon Lovett. Strong varsity returnees are Janet Hayes, Mary Norton, Perri Peairs, Maria Corzo, Karen Saliba, and Lynel Steffey. The Bee and Cee teams are also strong this year with a wave of returning swimmers.

golf

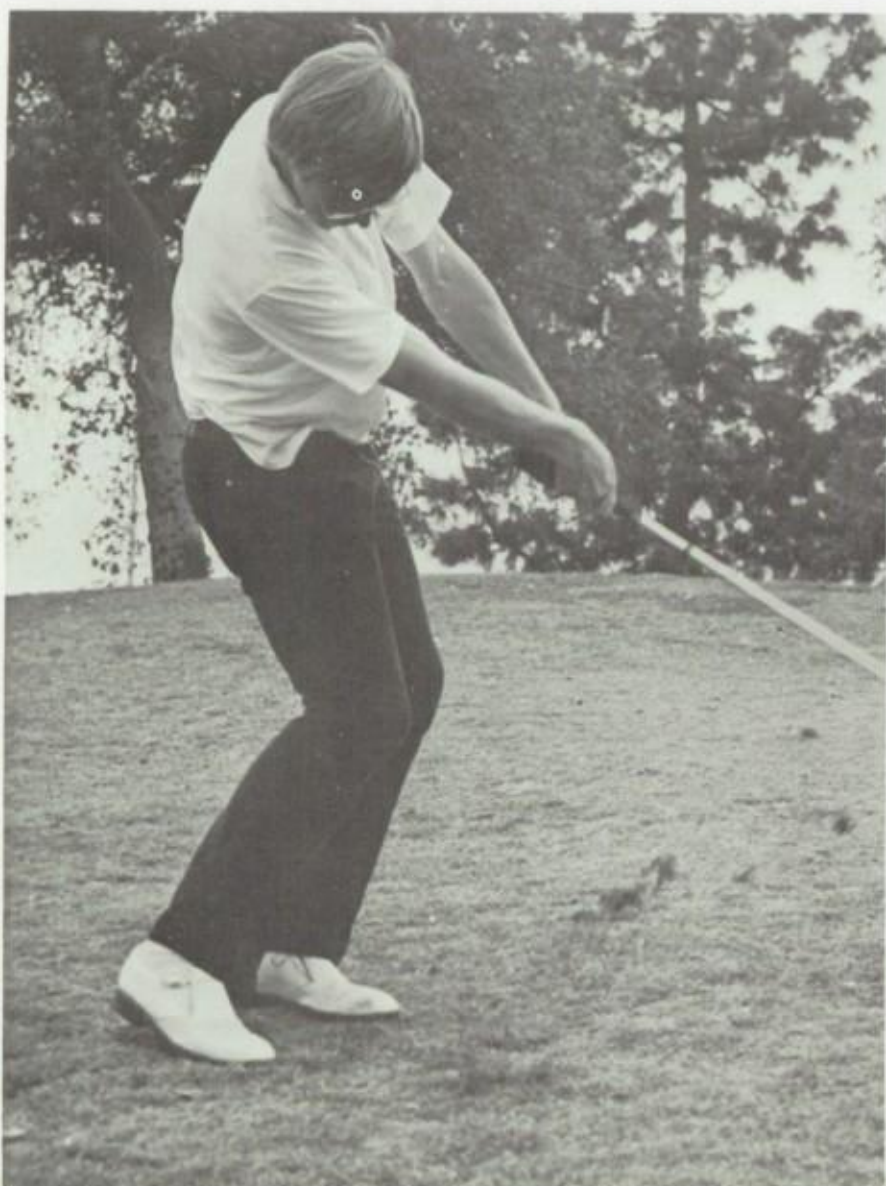

The 1974 Titan Varsity Golf Team is reshaped from last year's team. Of last year's five varsity players, George Mills, Don Black, and Bob Blake were lost to graduation. Only Erich Gott, the number one varsity player last year, and Dirk Jones remain.

Dave McGhee, Greg Welborn, and Mark Schowe are expected to fill in the gaps on the Varsity Squad. Both Schowe and Welborn have been playing in the high 70's and low 80's, and McGhee has been consistently in the mid 70's both this year and last.

The Titan's main competition in the race for the League championship in the team category will be South Hills High School and West Covina High School.

In the Individual League championships, Erich Gott is San Marino's main hope. Last year he missed the cut for advancement to the C.I.F. preliminary rounds from the League Championships in a sudden death playoff. This year there is a good chance that he, along with some of his teammates, will win the League championship and go on to greater success in the C.I.F. Championships.

This year's swim team will be remembered as a team that succeeded in the face of disaster. With the resignation of seven seniors, it seemed as if all hopes of regaining the League championship were lost. Along with this set back, came the admittance of two 4A schools the previous year, San Gabriel and Monrovia. One of these schools, San Gabriel, boasted of two All-Americans as well as last year's League championship. In the face of these odds, Coach Kanner and his team simply worked harder, averaging four hours of workout each day. And it paid off. In the biggest upset of the year, San Marino defeated San Gabriel in a dual meet, which placed us in the top position going into League Finals. Boasting a 13-1 record, the swim team was perhaps the most successful team at S.M.H.S. this year. Senior co-captains Mark Saliba and Mark Lucas proved to be outstanding leaders throughout the season.

Miss Cheuvront is happy with her team.

This year the athletes from Miss Pauline Cheuvront's Advanced Sports class competed against South Pasadena and Polytechnic High School in Girls' Field Hockey.

Although some of the girls on the Varsity teams had played before, this was the first time that the teams competed against both Polytechnic and South Pasadena. Because San Marino is not part of the C.I.F. league, the girls took time out from their own schedules to practice and to play in the games.

In the first inter scholastic motocross between San Marino and Arcadia High Schools, SMHS excelled even though Arcadia was the prime mover behind the event and dominated it. Although San Marino riders were out numbered by a 10:1 ratio throughout the days competition, five SM riders won trophies in their overall divisions. They were Tom Wagner, fourth in 100cc, followed by David Meloy, who placed fifth. Steve Hughes placed third in the 125cc class; Ed Lansing, fifth in the same division. In the 250cc class Kelly Bautista placed second, and he also placed third in the 500cc division. It is hoped that interscholastic motocross becomes an annual event.

To Lizzie -
Congrats! I think you will be
the best Pres. yet! I was really
pulling for you. You are
a beautiful person - Wish you
could go to Canada with us but
know you will have fun at Camp King!

This year the members of the TITANIAN STAFF have worked night and day in order to create the best year-book ever. We offer it for your approval. If you don't like it, return it, and we'll sell it again. We have a long waiting list. P.S. No refunds.

A loving thank you to all our teachers who have excused us, and excused us and excused us. We hope this justifies our lame excuses for tardies and absences.

DEAR ELIZABETH-

ITS REALLY HARD FOR ME TO PUT INTO WORDS
HOW MUCH FUN I HAVE HAD WITH YOU, OH ELIZABETH!
I AM REALLY GOING TO MISS YOU. YOU KNOW I THINK
YOU ARE A SPECTACULAR BEING & I LOVE YOU &
ALL YOU STAND FOR. I WISH YOU ALL THE LUCK
IN THE WORLD NEXT YEAR. I KNOW IT WILL BE GREAT.

Elizabeth
I know you
probably heard
this for the 643rd
time— Its great—
ASB prez...
I know you will
be one of the best
Now down to little
stuff— 6th period
was and always
be lots of fun
And its great
to have really
good friends w/ it.
I Have a fun
summer—
see you in 6th
Love
Susan

The Titanian Staff gives special thanks to Mrs. Elma
Boucher for helping record the memories of each year.

TITANIAN Adviser 1965-1974

YOU'VE CHOSEN THE PATH TO BE REAL - BECAUSE OF THIS YOU WILL SUFFER BUT YOU WILL GROW - I LOVE YOU - NANCY

Liz,
May the bluebird of happiness Always fly over
you and bring you ~~top~~ luck next year
Todd

Elizabeth (Beth) -
I love your little
red (maroon) 00100
that you cruise the
big town of S. H. in.
History won't be
much fun after
mouse left -
love listening to
people talk
about themselves.
I'm writing in a
strange spot but
on Wed - I'll probably
see you this
summer, but I
don't have
a "sweet" time.
Love,
Philant

his past year I developed a deep care
for you. I wish I had been with you so
much more than I did. You entered my life
with a smile and a kind word and I will
Always remember you in that respect. his
school is gaining a very beautiful president
who has so many talents ~~which~~ ^{that} will be displayed
right before its very eyes. Elizabeth you are
very beautiful and wonderful person and
I'm going to miss so very very much

Love, Always Todd.

Elizabeth,

P.S. I wish you
the best of luck
next year in ASB - congrats!

The only thing I can say is I wish I could have
gotten to know you better and better I really enjoy
you and with it could of been ~~several~~ great luck
next year as pres you'll do a great job don't let
the shirk get on your back. Keep in touch and
I'll miss you have a corp summer and I'll
beep here next year so don't hide and I hope to
see you Love Dan

Elizabeth,
This is a quackie
congrat on the Pres.
I had fun & was glad to meet
a. ~~you~~ for you! See you next
year
Trish

Elizabeth -
Even though I don't
know you, I wish you the
best of luck in your tasks
& ASB Take it easy.
Dirk Jones

Elizabet -
 (Elizabet?) cute
 huh???) I could
 fill up this whole
 page with memories
 of all the wonderful,
 crazy, fun, fulfilling,
 swell, and educational
 things we've done, but I
 think it'd be better to
 look ahead a write
 THE FUTURE!!

Elizabet,
 you'll make a great
 ASB President. I'm really
 looking forward to next year
 and getting to know you better.
 Have a great summer and hopefully
 I'll see you somewhere.
 Jeff

Elizabet,
 next year in
 Omega's we really
 have to get PR...
 bad. I am so
 glad about ASB
 President. I know
 you will be fantastic!
 I'm really looking
 forward to working
 with you on Omega
 projects. Have a
 nice summer and don't
 work too hard.
 Love
 always,
 Karen
 Broom

Elizabet,
 I really want
 you to know that
 I think you're a con-
 fantastic person making
 gratulations on making
 ASB next year. I know
 you'll do your best
 Take care & enjoy life -
 Margaret Silliker

Elizabet -
 The nat year's ASB
 President - what a puller!
 You are a darling girl -
 and outstanding!
 "Elizabet's one always
 sure, aren't they?"
 (I'm really kidding.)
 Be a good success
 of Davee! (you know...)
 I just don't want
 to leave - I wanted
 to do so much
 more this year - and
 now I am finished
 before I want to go.
 Old wishes for you
 nat years. I better see
 you (hope you come to
 Europe!) once again!
 Love, luck, and
 whatever you can wish
 to somebody you
 appreciate so much!

Elizabet
